## ABOUT M. I. E. T.

M.I.E.T. located in the National Capital Region is one of the best and oldest self financed institutes in Uttar Pradesh. This Institute today, is a leading Institute known for its academic excellence and placement. At M.I.E.T. special emphasis has been placed on developing highly conducive environment for building of a solid foundation of knowledge, personality development, confidence building, pursuit of excellence and self-discipline which helps to produce professionals well trained for the rigors of professional and social life. It lays claim to have an extensive academic environment, finest faculties and best infrastructure to provide quality education.

## ABOUT THE DEPARTMENT

The Department of Biotechnology & Microbiology was established in the year 2003 and within these years of its existence, it has progressed tremendously. The department has highly qualified and experienced faculty supported by equally qualified technical staff. With its well-educated and experienced faculty, the Department is imparting quality education and research by developing need-based research skills in the students. The distinguishing feature of the department includes career-oriented research/training programs, workshops and seminars on current research areas along with the regular curriculum.

## OBJECTIVES OF WORKSHOP:

The objective of the workshop is to provide a background and first-hand experience in the design, methods, and analysis of research associated with Molecular biotechnology & Microbiology and to provide tools, experience, and ongoing relationships with career scientists and learn about latest developments in biotechnology and microbiology; to learn more about science and the scientific career path.

The proposed workshop is planned with three days training on various thrust areas including Molecular Biology and Industrial Microbiology. The contents are interwoven in a manner that would help students in these fields to find solutions to real time problems in lab.

## HIGHLIGHTS OF WORKSHOP:

Workshop consists of lectures by faculty members, practical, laboratory demonstrations and guest lectures by eminent speakers.

## ELIGIBILITY:

Final year graduates of any branch in Biological Sciences (Biotechnology, Microbiology, Agriculture, Life Sciences).

## REGISTRATION FORM

**“ADVANCED TRAINING IN  
BIOTECHNOLOGY &  
MICROBIOLOGY”  
(April 8 -10, 2015)**

**Name:** .....

**Class:**.....

**Course:**.....

**College Name:**.....

**Address:**  
.....  
.....
